This event will be from 12-2 on August 9, 2014, which is a Saturday. Tim Hennessey and State Senator Rafferty will be coming. There was suggestions of acknowledging past supervisors and people who gave their time to the township in other ways. We will be looking for the oldest resident and the youngest resident such as Elmer Plank who is turning 92 and Bob Martin. There was a recommendation of handing out certificates of appreciation.

We will be contacting the other groups in the township to see if they would like to be present: Lions Club, Honey Brook Community Partnership are examples. We will be contacting Honey Brook Historical Society to bring their history quiz.

It was recommended we place on the website a place where people can email the township to put forth names that they think should be honored or acknowledged.

Therese will contact Troop 9 to do a time capsule that we will begin to collect items for its eventual burial.
