

ORDINANCE NO. 43 1991

AN ORDINANCE FOR THE TOWNSHIP OF HONEY BROOK, CHESTER COUNTY, PENNSYLVANIA, PROVIDING FOR THE CAPPING AND RENDERING USELESS OF CERTAIN ONSITE WELLS IN A CERTAIN PORTION OF THE TOWNSHIP OF HONEY BROOK PROPOSED TO BE SEWERED BY PUBLIC WATER.

The Board of Supervisors of the Township of Honey Brook, Chester County, Pennsylvania, hereby enact and ordain as follows:

SECTION 1. General Policy.

The purpose of this Ordinance is to protect the public water system from contamination or pollution by the capping and rendering useless certain wells on particular properties, which wells have been determined to be contaminated or have the potential to be contaminated as a result of the presence of subsurface contaminants and which properties are proposed to be serviced by a public water supply system provided for the Borough of Honey Brook, Chester County, Pennsylvania. This Ordinance shall apply to all premises serviced by the public water system of the Borough of Honey Brook, which public water system is presently identified as being proposed to certain properties noted on Exhibit "A", said Exhibit entitled "Welsh Landfill Superfund Site Proposed Waterline Hook-ups". Attached to this Ordinance as Exhibit "B" is a map of a portion of Honey Brook Township which map identifies all of the properties listed in Exhibit "A" and also identifies certain other properties within

close proximity to the proposed waterline. This Ordinance shall be applicable to all properties identified in Exhibit "A" as well as additional properties as located on Exhibit "B" if, when and as such properties are connected to the public water supply of the Borough of Honey Brook.

SECTION 2. Prohibited Acts.

It shall be unlawful for any property owner to permit the usage of onsite water supply for any purpose whatsoever and for any period subsequent to said property being provided with public water supplied by the Borough of Honey Brook. Within thirty (30) days of the connection of public water supply to any property, the property owner shall have the responsibility for and shall cause to be rendered ineffective and useless any onsite water supply. The property owner shall cap all existing onsite water supplies in a manner satisfactory to the provider of public water, namely the Borough of Honey Brook. The provisions of this Section shall be applicable to all properties denoted on Exhibit "A" attached hereto and any additional properties shown on Exhibit "B" if, when and as properties shown on Exhibit "B" but not identified in Exhibit "A" are connected to the aforesaid public water supply.

SECTION 3. Violations.

The Borough of Honey Brook may deny or discontinue water service to any premises in violation of the provisions of this

Ordinance. Additionally, water service to such premises may not be restored until the property owner has corrected any violation of the terms of this Ordinance. In addition to or in lieu of the above, any property owner violating any of the provisions of this Ordinance shall be subject, for each violation, to a penalty of not less than Twenty-five (\$25.00) Dollars nor more than Three Hundred (\$300.00) Dollars to be imposed and collected in accordance with the laws of the Commonwealth of Pennsylvania. Each day of violation shall be considered a separate offense.

SECTION 4. Effective Date.

This Ordinance shall be effective five (5) days from enactment.

SECTION 5. Inconsistent Provisions.

Any provisions of any rules and regulations or Ordinances of Honey Brook Township inconsistent herewith are hereby repealed.

ADOPTED and ORDAINED this 1 day of MAY, 1991.
