

NEWS
December 2015

Brandywine Creek Greenway is a regional planning initiative of the Brandywine Conservancy.

Thank you for another successful year. Happy Holidays!

Please [visit our website](#) to see more information.

2015 Accomplishments

The first year of implementation for the Greenway was a busy one, and many individuals contributed their time and talents to a wide range of exciting initiatives. Thanks to Greenway liaisons, partners, volunteers and others, much was accomplished and several new initiatives are already underway for 2016. We extend special thanks to the William Penn Foundation, PA DCNR and Chester County for their funding and contributions.
