The Honey Brook Township Parks and Recreation Committee held its monthly meeting on February 18, 2016 at 7:30 p.m. at the township building. Minutes

October and January Minutes were approved with Glenn Emery making the motion and Allen Hartz seconding. All were in favor and none opposed.

New Business

We discussed the walking trail Rail to trails and the land surrounding Struble Lake. John McHugh said the Rockland Station area would be a good place for a park as it is ideal. Glenn Emery will investigate land on Icedale Road at the old camp site. Also discussed was a suggestion that we make use of the park in the winter by having a decorating contest around Christmas. How can we use the fields more often maybe have pickup games for families, but we need to get hold of Twin Valley Little League to see their schedule.

Skateboard Park

Kevin Wynant will meet with Jeannie at Honey Brook Borough.

Exercise

Jen Bauer will be doing exercise classes for senior citizens at the Honey Brook Township Building starting April 6. The classes will meet at 11:00 the first and third Wednesday of the month. Participants must have a waiver signed by their physician to participate. If transportation is needed we can have Kristy call Rover.

Old Business

Raised Garden Bed

Seeds and plants were ordered through the Chester County Food Bank. The Partnership Agreement between the Food Bank and the Township was also signed as it has been yearly since the start of the program.

Summer Programs

These will be finalized next time.

Bike Riding

Glenn spoke more about the bike ride. Tel Hai might be a place of interest and Glenn will meet with them to discuss the bike ride on Feb. 26. Marketing the ride will be hard. Bike clubs have posts of rides so Kevin will send a blog regarding the September 18th ride.

The meeting adjourned at 9:15 with Glenn Emery making the motion and Lee Heller seconding. All were in favor and none opposed. We will meet March 17 at 7:30pm

Respectfully Submitted,
