

Stream Buffer Workshop 2016

Want to learn how to reduce streambank erosion and earn a rental payment on your property?

Attend one of the free Chester County Conservation District workshops to:

- Learn about the benefits of stream buffers.
- Get information on the programs available for buffer installation & management.
- Earn pesticide credits!

Open to all farmers and landowners. Lunch will be provided at the conclusion of the workshop.

Workshop Times/Locations (pick one):

July 19, 2016

Honey Brook Township Building
500 Suplee Rd, Honey Brook, PA 19344
9:00am-12:00pm (*credits available*)

July 28, 2016

Lower Oxford Township Building
220 Township Rd, Oxford, PA 19363
9:00am-12:00pm (*credits pending*)
