

PUBLIC MEETING

Today, we benefit from the vision and sound planning of Landscapes and Landscapes2.

However, new growth and change inevitably will occur.

In fact, **146,000 new residents** are anticipated in Chester County **by 2045.**

What should the county look like 30 years from now?

Please help ensure the county's updated plan reflects a collective vision for the future.

When

Thursday, October 26th, 5:30–7:30 PM

- Open house (5:30–6:30)
- Presentation: Project update (6:30)
- Public comment session to follow presentation

Where

West Whiteland Township Building, 101 Commerce Drive, Exton, PA

Purpose

The public will have an opportunity to offer direct input on the vision for Chester County.

When completed, **Landscapes3** will be Chester County's new comprehensive plan.

Video Release!

The county has released the first segment of a four-part video series, "Planning Chester County." The video highlights what makes the county special and the need to protect and enhance these qualities through planning.
