Conservation Garden in Umble Park

Therese to contact Kristy at the township office to see if the sprayed was applied as the date for planting is September 30th with a rain date of October 7th. If the spray hasn't been applied, the dates must change as they need 10 days between spray and planting. The plants will be delivered to Kevin's house on 9/22 Kevin noted in the trail meeting that there are approximately 38 flats of plants to be planted, roughly 25 per flat, so there are ALOT of plants to be put in the ground! He anticipates that 20-30 volunteers are needed to assist in the effort. He has contacted Tierra Graham and her group and Lee has contacted the FFA at the high school. Mulch will need to be delivered and we still have to resolve watering issues. The day before the planting, Kevin will auger the planting holes to make for easier planting.

Gardening

8 lbs. and 13 oz. of green beans were picked and delivered to Steeple to People and 1 lb. 12 oz. of parsley. Fall crops of radishes, lettuce and spinach were planted.

Other Items

Pickup Pickleball is occurring on Wednesdays at 9 am. Lee stated that there were 6 people yesterday. If interested in tennis pickup, contact Kevin Wynant, We discussed ideas for Harmony Day next year, which include a movie at Umble Park, a Pickleball demonstration, or even a scavenger hunt. Al Hartz suggested a kite day for March Therese Mauchline mentioned that Berks County Park System does this.

Port-a Potty

We insist that the Port-a-Potty for next year be replaced with wheelchair access, urinal, and sanitizer and that it is cleaned weekly from spring to fall.

The meeting adjourned at 8:30 with Al making the motion and Sheri seconding. All were in favor none opposed.

The next meeting is October 16th at 7:30pm.

Respectfully submitted
