Take the Public Survey for Western Extension of the Chester Valley Trail

The Chester County Planning Commission is currently studying the feasibility of extending the Chester Valley Trail westward to the Lancaster County line.

Your feedback and ideas are needed to help shape the plan. Please [click here](#) to take the public survey, which will close on Friday, Feb. 16.

For more information, visit the project webpage at:
<http://www.chescoplanning.org/transportation/cvtw.cfm>.

Grant Season is Here!

Use any page from the [Strategic Action Plan Part 1](#) and [Part 2](#) to support proposals for county, state and all other grant programs. Email sfleming@brandywine.org for assistance.
