### 2018 ANNUAL FUND DRIVE

#### Dear Neighbor,

Honey Brook Fire Company No. 1 celebrated a significant milestone last August when we celebrated our 125th Anniversary. In a world where things come and go quickly, it is refreshing and rare to come upon a company which has stood the test of time. We have always counted on strong community support to maintain our trucks, our buildings, and our volunteers.

Honey Brook Fire Company No. 1 has provided fire and rescue services to the greater Honey Brook community for 125 years. We would like to challenge the community which we protect and serve to give generously to our annual fund drive letter campaign. We have set a goal of \$50,000 for the year 2018. Last year, during the fund drive, you generously gave over \$34,000. Some community members also gave independent of the fund drive with large one-time gifts. We truly appreciate your donations.

In five years we are planning to replace our aging 1994 Pumper Tanker. It has served the community well over the past twenty-four years. We want to sell it while it still has some residual value left. We expect this new truck to cost over \$650,000.

Please give as generously as you can, in this once a year fund drive letter campaign. Help us to reach our goal of \$50,000. A new platform for giving is available this year via PayPal on our website. ([www.honeybrookfire.org](http://www.honeybrookfire.org)). Thank you in advance for your tax- deductible gift.
