4 West Lancaster Ave., Downingtown, PA

Tuesday, February 12, 2019
5–7 p.m.

Brandywine River Museum of Art
1 Hoffman's Mill Road, Chadds Ford, PA

REGISTER ONLINE

The Brandywine Conservancy and Chester County Planning Commission are studying the feasibility of a formalized water trail and would like your input on:

- routes you currently use and love
- areas that are unsafe and need to be improved
- areas where additional access would be helpful
- opportunities for stewardship and education

The study focuses on the East and West branch of the Brandywine from Coatesville and Downingtown, PA to Brandywine Creek State Park in DE, so residents of both Pennsylvania and Delaware are welcome to attend and provide input.

Families welcome. Light refreshments provided.
