

**Please note: the following information is TEMPORARY and subject to update!!**

Dear residents, businesses, and community stakeholders:

Public safety is paramount to Honey Brook Township, and we are taking every precaution to manage the growing concerns related to the COVID-19 virus as well as how to protect both you and our staff from any potential Community Spread. It is important that we follow the recommendations of both the Chester County Health Department and Centers for Disease Control for cleaning and social distancing tips. Equally important, we should all try to remain calm and supportive during this time.

**As a cautionary plan, the Township Administration Office will be closed to walk-in traffic until March 31, 2020. All committee, commission, and Board meetings are canceled effective Tuesday, March 17, 2020 until Tuesday, March 31, 2020. In addition, scheduling for future Township hours and meetings will be reviewed and monitored day-by-day.**
